dating.rambler.ru dating.rambler.ru receives about 1,979,000 unique visitors per day, and it is ranked 188 in the world. dating.rambler.ru uses Google Analytics, Google Tag Manager, Nginx, Yandex.Metrika web technologies. dating.rambler.ru links to network IP address 185.134.204.8. Find more data about dating. Walking Dating take a walk to get to know someone better. If your passion is walking then why not suggest a walk for the first date. A ramble in your local area, or a meet up in one of the UKs many exciting outdoor destinations, would be a good start to a new relationship and take away much of the nervousness of a traditional pub or restaurant date.
