07.04.2010 0183 32 Date Night is a movie about a couple, named the Fosters, who are running in the biggest rut of their life. They want to spark it up, and decide that one night they will change up the routine. Date Night has many of the traits I enjoy in a comedy with a good balance of laughs and sentimental value. 25.06.2021 0183 32 A date night is not a real date night if it s not romantic.
