Here I am at 31 , and no one seems to want anything serious ever I am running into so many guys that just want something casual I don t and never have , and twice now I have started talking to and dating guys that initially claimed to want something serious and then by the second or third date , are changing their minds even when things are going decently between us. 24.05.2021 0183 32 I am a 31 -year-old woman who has absolutely zero experience when it comes to dating , sex, flings, kissing, hookups. I ve never been on a date , let alone held someone s hands before. Ninety-eight percent of my friends are female, and that s always been the case since I was in grade school. 31 Original Quotes on Dating Your Best Friend. By Amy Hoover. Copied Source. In reality, though, many people may not have found that special someone by the age of 30. Some people may have thought they found Mr. or Mrs. Right, but it didn t work out as planned. Other people may have taken their 20s to chase their individual dreams. If you play it right, the best bit is that dating in your 30s can be like having your cake and eating it too. 1. Ain t nobody got time for that It turns out once you reach the post 30 age group, time becomes a more valued commodity. Life is busy and adulting is demanding. Dating isn t about data. It isn t about algorithms. It isn t about how many friends you have in common, or whether you want a boy or a girl or no kids at all, it isn t about how tall someone is or the color or their hair, and it isn t about finding the one .
