The great thing about Lumen Dating Site is that it's specifically designed for over 50s in every way possible, from the graphic design to the matchmaking algorithm, and everywhere in-between. If you're looking for a dating platform that isn't going to confuse and complicate things with unnecessary features and badly thought out design, then you've come to the right place. Lumen Dating was launched in the third quarter of 2008 by Andray Andreev, Antoine Argouges, and Charly Lester. Lumen is an app that targets genuine like-minded singles, which are over the age of 50. Not to be missed, the fact is that the founders have tons of experience in the online dating industry.

28.10.2019 01:33:32 As usual, I evaluated the Lumen dating site on five criteria:

- Affordability
- paid and free features
- Audience quality
- the legitimacy of the user base
- gender and age distribution
- Interface usability of the service
- Privacy and security
- safety algorithms and the quality of technical support

... Lumen is the first ever free dating app specifically designed for over 50s. Meet like-minded people and find someone to share life's adventures with.
