24.09.2020 0183 32 Dating in 2020 has been anything but easy. The pandemic has made it nearly impossible to go somewhere and meet someone. Although we're starting to go out again, online dating and virtual hangouts have never been more popular. We may all despise spending our days on Zoom, but it's still one of the safest ways to screen someone before meeting IRL. The last time I was single it was easy, I would date men I chatted to at the shop, guys I would meet on a night out, people I worked with and so on. But it would seem that today's dating world is very different to the dating world that it was all those years ago. So it got me thinking, What is Dating in 2020 like Do I have to go online 12.05.2020 0183 32 The Match-owned online dating site OurTime, for instance, has the largest community of singles over age 50 compared to other dating products in the US.
