How-to Redeem Codes in Holy War 3

If you want to redeem codes in Holy War 3, you will want to go into the customize menu under the Spin section. At the bottom where it shows your character, you will see a box labeled CODES. Copy one of the codes from our list, paste it into the box, and hit enter to receive the reward! You can also add codes in-game via the inventory, but this seems to be a bit buggy.
