

# Roblox Germ Simulator Codes [2021] Get All Working Codes Free

---

Our Roblox Germ Simulator Codes has the most updated list of working Twitter codes that will get you a bunch of coins and playbuttons. You can use these currencies to upgrade your character so you can wage war against those evil germs!

## Germ Simulator Codes List

---

This is kind of the new style of simulator where you beat up enemies until you gain a specific amount of currency to unlock the next level. Once you've done that you will repeat the process on slightly stronger mobs. Purchasing stronger weapons and buffing your character will have you chopping through these more powerful enemies!
