Unfortunately, these codes are out of date and you will not be able to redeem them for the reward. We've included them here just to keep a list of what's been added to the game in the past.

As mentioned in the introduction, these codes are merely for cosmetics and won't necessarily help you in games. They are more for fun and to make your character look good when you are heading into some of fun little games you can play! Outfit your character with a pet, title, and a new effect to show off to your friends and enemies.

How-to Redeem Codes in Epic Minigames

Entering codes into Epic Minigames is slightly confusing but not too hard to figure out! Look for the bright green when you press on that, then look for the "Enter code" area that is bright blue and can be found on the top right of the screen:

Click on the "Enter code" box and input one of the codes from below. Once you've got it entered in correctly, you'll just need to hit the Enter key and you will be given the reward!
