Our Roblox Battleship Tycoon Codes post has the best and most recent list of codes that you can redeem for a weapon. If you want to defend your Battleship with some additional weaponry then you'll want to use the codes we have listed!

All Battleship Tycoon Codes List

Here's a look at a full list of all the currently active and available codes:

- **DAMAGE: Use this code to receive a Revolver!**

Codes are kind of weird in this game, it appears you have to enter them in each time you play. There's also only one at a time as far as I can tell!

We'll keep you updated with additional codes once they are released. You should make sure to redeem these as soon as possible because you'll never know when they could expire! All of these codes have been tested on the date that this post was released. If you find one that is expired, please let us know the exact code in the comments below so we can remove it!

How-to Redeem Codes in Battleship Tycoon

Getting some free stuff in Battleship Tycoon is very simple! Open up the game and you should find an option right in the first screen you see that says Redeem Code on it. Press that button and you will get a popup where you can enter in codes. Look for the area that says "Click here to redeem" and paste one of the codes from our list in that location. Hit the redeem button and you should receive a reward!
