SUCCESSFUL EUROPEAN PROJECTS

This is the slogan of an informative seminar with participants from all local schools, teachers, students and parent. The school headmistress Mrs. Dănilă Simona presented the meeting agenda, followed by the guests presenting the outcomes of various European project. Prică Georgeta, deputy headmistress of “Dragomir Hurmuzescu” Technological High School and Furtună Marius, headmaster of “Nicolae Bălcescu” High School, with some of their students discussed with the seminar participants.

The performance of “Lucian Grigorescu” School were outlined by headmistress Dănilă Simona, and deputy headmistress Ciocan Emilia, awarded the participating students to eTwinning projects a QUALITY AWARD and informed the guests on the Erasmus+ project, “Once upon a time...the SEA”. The seminar was a good opportunity to exchange good practices. The seminar highlights were broadcast by the local TV station Media TV, in a dedicated show.

LOOKING FOR A LOGO...

(contest for a project logo)

Looking for a project logo, the students were guided by our Art teacher, Elena Dodiș, to illustrate the project theme through shape and colour. In our school, the works of our students Neagu Alexandru - VII B, Motoc Ioana – VIII A, Lucaci Alexandra & Sali Melysa - VII B, succeeded in rendering significant symbols of the project.

Erasmus+

ONCE UPON A TIME... THE SEA

2018-1-RO01-KA229-049131_1

The project theme was included in the school curriculum, as integrated in subjects such as Art, Technology, Music, History, Science, Geography, Biology, Maths, English and optionals like „The Sea, from legend to art”. The knowledge on the marine environment is basis for solving complex tasks and boards with decorative items, drawings, collages and , desene, colaje scaled models.

BLACK SEA RUNNING

The Eco NGO *Mare Nostrum* from Constanța celebrates the International Day of the Black Sea through the 3rd edition of a cross-country running competition. The event was intended to raise awareness of the impact of the human life on coastal environment and included many participants. Our school was represented by students guided by teachers Osoianu Nicoleta and Marcov Raluca, and enjoyed a day spent on the seaside together with the 1600 participants.

Project Transnational Meeting (29-30 October)

The participants appreciated each moment of the meeting, starting with the warm welcome, Euro-classroom arrangement, enjoying the information on each partner school. During the 2 days there were fruitful discussions about the importance of teamwork, its promotion and support, the appraisal of the students' talent and sharing the experience acquired with teachers belonging to different cultures.

BLACK SEA INTERNATIONAL DAY

It is our school's tradition to celebrate *Black Sea International Day*. The students provided remarkable literary and artistic creations shared to the audience in the festivity room, scaled models and art exhibition guided by the teachers Mocanu Mariana, Ene Viorica and Dodiș Elena. There was a special atmosphere during all acts of the show and interludes of presentations of information on the Black Sea, others with illustrative images and appropriate music. Mihaela Deli-Iorga coordinated the entire activity, presenting the contests *Our SEA in daily life* and *My Message to the Sea*, where the protagonists were our team members. The celebration included a *Marine Carnival*, presented by the youngest students coordinated by Volintiru Lidia, as well as music performed by Badea Andreea and the school music group coordinated by Tănase Silvia.

The Legends of the Sea is a literary collection in a brochure, a present for the guests from the partner schools. The guests congratulated both the students and the teachers for the artistic programme, as well as the parents for their support.
