## DEBATE ABOUT IMPORTANCE OF WATER IN OUR LIFE

Before starting a debate we gave the students some videos about how important is to water for our life, and that we have to keep sea and rivers clean.

<https://www.youtube.com/watch?v=QHIRh58US9E>

After the students said how is the situation and some options to avoid this pollution.

Erasmus+

**DEBATE** - students gave their ideas to not pollute our oceans, seas, rivers and they made experiments to see what happen when it's polluted.

Erasmus+

Find information in groups about how to keep water with quality for our life.

# Erasmus+

- Continue multimedia materials about Spain, Catalonia and our school.
- Drawing up the project map and hang it in the entrance board.
- Renew the members of the dissemination team to promote the project through Facebook, Instagram, twitter, school blog and local press.
