Erasmus+

PROJECT PRESENTATION TO ALL SCHOOL COMUNITY

In September, during the first Teachers' Board Meeting, Núria Ramon, our Headmistress, presented a report of the activities unrolled in the first year, the implementation plan of this school year, and after we celebrated the start with a lunch.

At the end of the month we did families meetings where the Erasmus+ team explained to them how we would work this school year with their children.

Erasmus+

ERASMUS+ CORNER AND ERASMUS+ WORKSHOP

On September we renewed the Erasmus + Corner and the workshop “Art for Erasmus+” to work different items related to the project all around the year.

In the corner we will put all the activities that we’ll develop around the school year to guarantee the dissemination of that activities.

Erasmus+

ERASMUS + TEAM

The team set the responsibilities, discussed and planned the implementation strategies for 2019-2020.

- Exchange of emails addresses of our older students to promote communication between them and other partners students.
- Program the ICT subject to work with tools to help develop the activities.
- Program the subject Global working (Catalan, Maths and Science) topics related with geography, environmental education and flora and fauna of the sea.

Erasmus+

Information at the first meeting of the Teaching council, School board, families and classroom representatives on the project approval and content of the application form.

Erasmus+

SITGES BEACH TRIP

Our students of 1st, 2nd and 3rd grade went to Sitges with two objectives:

- take materials for our sea art project;
- clean the beach from plastics.

Erasmus+

Enroll at the eTwinning of the whole team members and renew our Google Suite for Education in the school with accounts for all new families and students 8 years old for making communication easier. Also an mobile app to communicate better called Bynapp.
