# *TRAVELLERS ON THE SEA SHORE*

In March 5-8 there were C1-C2 learning/teaching/training activities organized by Igualada school, with 17 students and 13 teachers. The partner schools were represented by 20 students and 18 teachers. SEA TRAVELLERS were activities allowing all participants to enjoy exchanging information on the main ports and tourist destinations from the shores of Black, Mediterranean, Tirenian Seas and Atlantic Ocean. The students were also involved in practical activities reflected in tourist guide of Igualada. The teachers participated in a symposium called EDUCATION IN THE 21ST CENTURY, presenting the knowledge of the educational systems from the partner countries as well as a glimpse into the school of the future.
